### Activities

#### **Working Visits to the Three New GTMO 5+5 Member Countries: January 2008**

As foreseen in the work programme approved at the 8th meeting of the Group of Experts in Barcelona, the GTMO 5+5 Secretariat paid visits to Malta, Libya and Mauritania (the three countries that recently joined the GTMO 5+5 cooperation initiative) on 15, 22 and 28 January 2008, respectively.

#### **CETMO-ASE Database Updated for 2006 Reference Year**

The CETMO-ASE database is made up of nine groups of data: area, population, job market, economic activity, price, currency, foreign trade, international goods transport and road transport. The indicators are grouped together by country in the different tables. The CETMO-ASE database may be consulted at our documentation centre.

#### **CETMO Participates in the Meeting of the Working Group on Maritime Safety**

On 7 February 2008, CETMO attended the meeting of the Euro-Mediterranean Transport Forum Working Group on Maritime Safety.

#### **9th Meeting of GTMO 5+5 Group of Experts in Barcelona**

The GTMO 5+5 Secretariat organized the 9th meeting of the GTMO 5+5 Group of Experts, which was held on 18 February 2008 in Barcelona. The main purpose of the meeting was to analyse the status of the GTMO 5+5 work plan for 2007-2009, which had been set during the previous meeting (April 2007).
